

# Gifford Park to test residential code enforcement

The Gifford Park Neighborhood Association is participating in a pilot study on residential code enforcement.

The study is a project of the Midtown Neighborhood Alliance and the University of Nebraska at Omaha.

Volunteers are needed to assist with the evaluation of the neighborhood, bounded by Interstate 480 and 37th Street, from Dodge to Cuming Streets. Training will be available to educate volunteers on what constitutes major violations as opposed to minor issues.

To volunteer, call Ron Frey, 344-0757, or Chris Foster, 342-6006.

The association's next meeting will be at 7 p.m. Thursday at the Creighton University Medical Center, 601 N. 30th St., in the Morrison Seminar Room.
